

## 2011 Canadian Wake Championship

Aug 29, 2011

Over 75 of the country's top wakeboarders and wakeskaters gathered at Riverside Park in downtown Kamloops, B.C. for the national championships presented by Nautique and Enzo Marine. The water conditions were amazing, despite a strong river current, allowing a high level of riding to be showcased in all categories. The weather was equally incredible with three straight days of hot temps and sunny skies. Below are the complete results with more highlights, photos and video to come.
